

RC500E shown in black cast with volcanic stones and rear venting (unit shown without mandatory safety screen).

CONTURA™ | RC500E *Medium Gas Stove*

3-SIDED GAS STOVE

With clean lines, three-sided viewing and a large door, the RC500E gives a light and modern impression to any home. There is no bad spot to sit while warming up in front of this unit. Available in black or white, you can customize this modern gas stove with a traditional log set or volcanic stones on a bed of large crushed glass crystals. The curved design invites you to enjoy a stunning flame view from three sides. The peek-a-boo side windows offer a glimpse inside to warm your home and your heart.
