Description

50" Deep Electric Fireplace Built-in only with black steel surround

50" wide and 12" deep – The BI-50-DEEP and the Panorama Series of built-in electric fireplaces have been designed to give you the maximum in flexibility in selecting a fireplace that perfectly suits your needs.

The stylish electric fireplace will be a focal point in any room, indoor or outdoor.

Panorama fireplaces are rated for Indoor or Outdoor use.

Full Frame Viewing Area

The Panorama Series give you multiple length and depth options as well as giving you the ability to install your fireplace with your choice of finishing material built right to the glass for a "clean face" design or using the provided black metal surround. **Your choice – your design!**

A Kaleidoscope of colour

Featuring the vibrant Fire & Ice flame set, with just a click of your remote you can easily change the flame colour from blue to purple to violet to orange or yellow.

Note: Deep models come with the ICE media set and an 11 piece log set.

Optional Decorative Media

Fire Glass & Media Options

Amantii / Sierra Flame decorative fire glass media is a beautiful addition to your electric fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your electric fireplace – mix colors and textures for a unique appearance.

Always wear protective gloves when handling fire glass media. One 5lb container of media will cover 1 square foot.

Optional Decorative Media

Designer Media Kits

Variations in the color and shade are inherent in all digital processes. The actual colors may vary slightly from those shown on this website. Please visit your local dealer to view a sample.
