Description

SYM-50-B Electric Fireplace – 50" wide, basic, built-in with glass & black steel surround

The stunning SYM-50-B electric fireplace, part of the SYMMETRY B Series by Amantii, is the Amantii basic fireplace model offering clean, contemporary aesthetics with no visible unsightly heat vents and red glowing heat grills. The SYM-50-B features the stunning multi-colored state-of-the-art FIRE & ICE ® flame presentation. The slim design allows for versatile applications including semi-flush mount within 2 x 4 walls. Standardized sizing allows for hassle free installation at any stage. Enjoy the warmth and beauty of the SYM-50-B in your favorite living areas.

A Kaleidoscope of colors

Featuring the vibrant Fire & Ice flame set, with just a click of your remote you can easily change the flame color from blue to purple to violet to orange or yellow.

Outdoor use: Outdoor use; refer to installation manual.

Refer to installation manual

What's New

Hassle free installation – fireplace unit can now be installed at the end of the project with standardized sizing

Installation Options

Option 1:

Can be completely recessed or built-in

Trim is required for the built-in installation, units come with a Black Surround in the box.

Optional decorative color surrounds are available for SYM-34-B, SYM-42-B, SYM-50-B, SYM-60-B, SYM-74-B and SYM-88-B Models.(See Optional Surround tab.)

Option 2:

NEW Can be semi-flush mounted within a 2 x 4 wall

For a semi-flush mount install, the semi-flush mount surround is required and must be purchased separately.

Optional – Semi-flush Mount Surround

- This install option requires the Semi-Flush Mount Surround to finish the look of the fireplace.
- The Semi-Flush Mount Surround has a black finish and has a depth of 2 1/4”
- The Semi-Flush Mount Surround must be purchased separately. Ships in a separate box.
- This application is only applicable to the SYMMETRY & SYMMETRY-B models. XT models must be fully recessed.

Hassle Free Installation – Standardized Sizing

The SYMMETRY fireplaces have been made with standardized unit sizing.

Standardized fireplace sizing creates hassle free installation at any stage of the project. This means that the opening for the fireplace can be made at any stage of a build – the appliance can be easily installed and finished with the included surround at the end of a project. The surround beautifully completes the fireplace without the need for detailed or costly finishing.

The Sym-50-B fireplace measures 15 5/8” (H) X 50” (W)

Enjoy the warmth and beauty of the SYMMETRY-50-B in your favorite living spaces.

Clean Face

NO UNSIGHTLY VENTING – Unlike electric fireplace models made by other manufacturers, SYMMETRY fireplaces are unencumbered by unsightly venting or red glowing heat grills. Venting and grills take away from the aesthetics of a fireplace and the SYMMETRY series have some of the biggest glass viewing areas in the industry. You'll see more of what is important – a beautiful, warm and comforting flame display.

Hidden venting and no grills.

The heater is located at the top of the SYM-B series of fireplaces allowing heat to cascade down in front of the glass.

FIRE & ICE® flame presentation

Vibrant multi-colored state-of-the-art FIRE & ICE® flame that is easily changed from blue to purple to rose to violet to orange or yellow with just a click of the remote. Three color strips generate more flame options than ever.

INCLUDED MEDIA & ACCESSORIES

The SYM-B series electric fireplaces come with decorative glass media
