Description

SYM-50 BESPOKE Electric Fireplace – 50" Clean Face Design Integrity, Quality Craftsmanship & Attention to Detail

Electric Fireplace – Built-in with log and glass and black steel surround

Our Symmetry Bespoke is more than just an ordinary fireplace. It is a well-designed electric fireplace, unique, as it combines classic form in a modern interpretation. Some of its most unique features are its colorful intuitive thermostatic remote with emphasis on technology and performance – it also comes included.

The WiFi app allows for control of fireplace functions including sound, programmable timers and control of the flame height and speed.

Superior construction ensures a long lasting electric fireplace with design integrity at it's core. Symmetry Bespoke was design with intelligent, mobility in mind.

SYM-BESPOKE fireplaces are rated for Indoor or Outdoor use. For outdoor applications please follow these instructions.

KEY FEATURES

New Concept

Combining Flame, Quality and Sound. A Fireplace with Sound!

Install Options

Fully recessed or Wall Mounted

Speaker and Sound – quality audio delivering a crackling fire sound. Sampled from real fires.

Remote control

For flame and heater

Warranty – 5 Warranty

Flame Styles – Two Flame Patterns – Standard and Realistic Flame. Conveniently adjust the flame height and speed using the intuitive remote

Intuitive Remote (included) – Colorful Intuitive remote to adjust the flames, temperature or timer. Patented Thermostatic remote. Can be set, adjusted and programmed for your fireplace to turn on when you want and at the temperature you want

Flame Presentation – 6 Brightness levels and 6 Speed levels. Multiple flame colors – orange, red, blue in any combination. LED flames can be enjoyed with or without heat. Adjustable flame and ember bed lighting featuring multi color LED lights that illuminate from underneath

WiFi App – For complete control from any room. Set the fireplace to turn on before arriving home, or have it turn on automatically when the weather is cold. Customization possibilities are endless.

BESPOKE models are rated for either indoor or outdoor use

Installation Options

Option 1:

Fully recessed / Built in

Trim is required for the built in installation, units come with a black surround. Fireplace outputs heat from the front. No ventilation requirements

Option 2:

Wall Mounted

Due to the many different materials used to build walls, it is highly recommend that you consult with your local builder before installing the fireplace onto a wall.

INCLUDED MEDIA & ACCESSORIES

The SYM-BESPOKE series electric fireplaces come with your choice of a 10 piece Birch logset and media, or Ice Media, or Ember fireglass.

Installation Support Center

View technical specification drawings, preview or download the most current manuals, brochures and repair guides.
